Hi! I'll have
relevant quick
information about
upcoming events!

Glashan

First Glashan Newsletter

This is our first student newsletter at Glashan. All the staff and students participating in the newsletter are trying their hardest to make this a fantastic launch. We are trying to put it out once a week. Finally we are always happy for new members to join us. - Cohen Baker

Stock Market

Image By: Unsplash Stock Images

Stock Market is an event put on every year for students in 8th grade to have a fun competition and learn about financial literacy. Students make teams of 3-4, every team makes up a fake brokerage firm where they design costumes and three sided posters for their “businesses”. The students are always working their hardest to come up with a great idea and win the competition.
